Valle Vista Health System has been providing comprehensive behavioral healthcare to the community since 1983. To continue reaching and helping patients in need and fulfilling our mission, we are expanding our outpatient locations. Join us during our open house events for more information and a tour of the clinic.

Dec 13th, 2023
11:00am – 1:00pm

Dec 14th, 2023
2:00pm – 4:00pm

Residents will have access to outpatient treatment for opioid addiction with a no-judgment, recovery-first mindset. New Vista North is an Opioid Treatment Program, which aims to allow patients to receive treatment without needing to stay overnight at our facility.

Program features include:

- Assessment and medical evaluation
- Opiate withdrawal management
- Medication-assisted treatment
- Individual and group therapy
- Care by licensed medical professionals
- Introduction to community support programs
- Discharge planning
