

Actually, **vaping / juuling** is terrible for you.

You're spending more than you think. The average price of a "starter kit" is **\$50-\$80**. Then, you'll spend an average of **\$50-\$60** every month on refill inserts. Is that really how you want to spend your cash?

Call 1-800-QUIT-NOW or 317-828-9248 if you need help quitting any kind of tobacco use.
