

■ WorkOne Career Centers

In addition to services provided by FSSA, the Indiana Department of Workforce Development offers a variety of services through our WorkOne Career Centers to Hoosiers looking to get back in the workforce or change jobs. WorkOne Career Center staff can help you find a new or better job, choose a career or access training to get you the skills needed to succeed in today's economy.

Some of the WorkOne Career Center services are listed below. To find your nearest WorkOne Career Center, visit **WorkOneWorks.com** or call **800-891-6499**.

IndianaCareerConnect.com

To find a job that matches your skills and experience, search **IndianaCareerConnect.com**.

Indiana High School Equivalency

The Indiana High School Equivalency (formerly GED) is an alternative for earning a high school diploma. Workers who have a high school diploma or HSE earn over \$10,000 more per year than those who do not. **IN.gov/dwd/HSE.htm**

INDemand Jobs

This tool uses a demand indicator to rank all jobs in Indiana based on future growth and wages. Whether searching for your first job, changing jobs or re-entering the workforce, **IndianaCareerReady.com/INDemandJobs** will help direct your career search.

IN Reality

This interactive tool allows Hoosiers to explore career choices based on earning potential. **Hoosierdata.IN.gov/inreality**

Indiana Career Explorer

Indiana Career Explorer is an online tool that provides all the resources you will need to explore careers or find a new career and college options.
